Dear Mr. Tanner:

This letter is written with regard to our previous correspondence of September 24, 1999 whereby we notified the agency of a statement of nutritional support being made for the dietary supplement Grape Seed SuperComplex. We wish to notify the agency that we have since revised this statement of nutritional support to read as follows:

New: "Provides natural antioxidant protection and supports circulation."

Old: "Four tablets a day provide natural antioxidant protection and support circulation."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This statement of nutritional support is based on data which renders this statement substantiated, truthful and non-misleading.

Sincerely,
